INTRODUCING “THE FAMILY BIBLICAL COUNSELING CENTER OF FRESNO.”

All of us at BCEC what to welcome FBCC to our family. What an exciting time to be in the Lord’s work. BCEC and FBCC are joining forces to further impact the San Joaquin Valley. We pray that this is the first of many to join forces for the proclamation of the sufficiency of the Word of God. We want to reach our communities, valley, state and country with the truth that changes lives. That’s why we are pulling together those who desire to reach out to their communities and this Valley for the cause of Christ. We will be combing our resources and talents to assists us in doing more training, counseling and ministering to the body of Christ.

FBCC (Family Biblical Counseling Center) has been ministering, in the greater Fresno area, for the past three years. FBCC is operated by Romel Pumarejo & Nathan Nenadov. Some of you may recognize Romel’s name, he has been involved with biblical counseling for the past 11 years and was part of BCEC in the past. He is a graduate of Master’s College with a Masters Degree in biblical counseling. We are so excited about this opportunity the Lord has given us to minister together.

Also introducing COMMUNITY DISCIPLESHIP CENTERS are ministries we have identified as those offering biblical counseling in certain areas. It is our desire to have a exhaustive list of those doing biblical counseling so when we receive those phone calls for referrals we will have names to give them. This will be quite intensive and costly, but it will be well worth the effort. There is nothing more discouraging than to have someone call seeking a counselor in their area and not being able to produce a name and number.

HOW YOU CAN HELP!! First of all we need your prayers for this ministry. God is doing some wonderful things and we need you to continue to pray. Secondly we need your financial help. This ministry is ready to take off. Let me share with you a couple of other things. Along with looking for office space in Visalia, we are looking into opening an office in Exeter, Lord willing. We are presently working with Antonio Alfred out of Bakersfield to have another “Community Discipleship Center” open in the near future. I have received phone calls from Santa Maria, Atascadero, Porterville, Modesto, Colorado Springs and a lady who is moving to Oklahoma. This is far more than I ever expected, but with all of this there comes financial needs. We need each one of you to come along side of God’s ministry. The only thing that is holding us back right now are the finances. We will be approaching churches, businessmen and individuals to assist us in reaching the hurting families of this Valley, State and yes this country. We need your help, can you become a “Share Partner”? A “Share Partner” is one who shares a monthly gift to this ministry to further the cause of Christ.

WANTED PRAYER WARRIORS: BCEC needs you to be a prayer warrior. Please return the enclosed card with your email address and indicate that you would like to join our Prayer Warriors. We will keep you updated with the things going on with BCEC. Please assist BCEC in this important part of our ministry. We will be updating the website with a prayer page soon.

“Therefore if any man is in Christ, he is a new creature; the old things have passed away; behold new things have come.”
